This will result in a forfeit of the game and the coach will incur a 2 game suspension.

## **SECTION 4 – Individual Players / Team Players / Club Teams**

**4.0** – An individual player is a player that registered as an individual, unattached to any team. The league will either have a try-out and a draft or the individual player will be placed on a team at the leagues discretion.

**4.1** – A “club team” is a team that registers as a complete team. The club team registration fee is based on a 12 player roster. However, the team roster is NOT required to have “12” players on the roster. They must however have enough to field a team. The fee is a pre-determined cost based on when the club team registers. This cost does not include uniforms or any kind of uniform rebate.

**4.1.1** – The ‘per player amount’ is the total paid at registration divided by 12.

**4.1.2** – If a club team who has registered with the league, acquires a league player who has already registered and paid the league as an individual player, the league will ‘credit’ the club team based on the ‘per player amount.’

**4.1.2.1** – The league will credit the club team a pre-determined league uniform allowance in addition to the ‘per player amount’ from the acquired player’s registration payment.

**4.1.2.2** – The league has a no-refund policy and the acquired player will forfeit any amount over the credited amount they already paid with their registration. This amount will be applied to the general non-profit fund and administrative costs of the league.

**4.2** – Players may be added to a club team roster before their first game of the current season. After the start of the season, additional players may be added for a \$50 administrative fee for the first add and \$100 for the second add. This may only happen twice per season and must happen before the teams’ seventh (7<sup>th</sup>) game. Exceptions may be made if a team does not have the minimum number of players to take the field.

**4.2.1** – Any players being released from a team roster may not return to the team’s roster for that season.

**4.3** – Players may only play on one East Valley Baseball team during a season.

If after your allotted innings the game is tied, you can play additional innings if time permits to break the tie. If time is running out or you are over the time allotment, the tie will stand.

**12.0.10** - 5 warm-up pitches shall be allowed between innings (maximum of 90 seconds.) The umpire shall monitor warm-up pitches and time.

Option 2: Teams may bat ten (10) players, 10th player EH (Extra Hitter)

***See rule 12.0.12***

Option 3: Teams may elect to bat their entire roster.

Option 3 allows teams to switch defensive players in and out as they wish (free defensive substitution). If a player is unable to play due to an injury or illness the vacancy shall be recorded as an out the 1st time, after that, the roster shall collapse to accommodate the missing player. If a player is ejected, the vacancy shall be recorded as an out every time that spot comes up to bat.

**12.0.12** - A team may use an EH (Extra Hitter) in the lineup if declared at the start of the game. If a team elects to start the game using an EH, the team must use a 10 player lineup throughout the game. If, due to an injury, there are no more eligible subs on the bench, the opposing manager shall select a player of his choice from the bench to take the injured player's place in the batting order. If, due to an injury, the team is reduced to 9 players, an out shall be recorded only the first time the injured player was scheduled to bat. If, due to an ejection, the team is reduced to 9 players, an out shall be recorded each time the ejected player was scheduled to bat.

**12.0.13** - Starting players may be removed and re-enter the game one time in their original batting order.

**12.0.14** - Substitutes may enter the game at any time. Once removed, they may not re-enter the game.

**12.0.15** - If, due to an injury or ejection, there are no more eligible subs on the bench, the opposing manager shall select a player of his choice from the bench to take the injured or ejected player's place in the batting order.

**12.0.16** - A ball shall be considered fair and in play if it hits any portion of the outfield fence and bounces back in. The yellow line designates the top of the fence only. A home run is any ball that goes over the fence or hits the yellow foul pole.

## **12.1 - Rosters**

12.1.0 – An official roster must be on record with the league.

12.1.1 – Only players on the official roster may play in a game.

12.1.2 - The coach may recruit his entire roster.

## **12.2 - Runners**

12.2 - **Leadoff's are allowed.**

12.2.0 - If a defensive player, including the pitcher, should make a throw to any base in a pick-off effort, runners may advance at their own risk.

12.2.1 - Players advancing to second base with intent to break up a double play must slide into the bag. All calls regarding rough play, sliding into the defender versus the bag, etc., shall be a judgment call by the official.

12.2.2 – Head first slides are only recommended for returning to a base.

12.2.2 - Fake tags will be considered an obstruction. Officials will award the runner extra bases per their judgment.

12.2.3 - Courtesy runners may be used for the catcher and pitcher with the following stipulations...

12.2.3.0 – The catcher or pitcher reaches base.

12.2.3.1 - The same runner may not be used in the same inning to run for both catcher and pitcher.

12.2.3.2 - The runner used is currently not in the game.

12.2.3.3 – If you are not batting your entire line-up, the 9 (or 10) batters in the line-up cannot be used as the courtesy runner. You must use the subs.

12.2.3.3 – If you are batting your entire lineup or there are no available players on the bench to run, the player making the last batted out may be used as the courtesy runner.

12.2.4 - Collision Rule: If a defensive player has the ball in hand ready to make a tag, the offensive player must apply one of the following...

12.2.4.1 Proper slide going in. (Judgment call by the umpire)

12.2.4.2 Go around. (Judgment call by the umpire)

12.2.4.3 Give up.

12.2.4.4 Go back

-If the offensive player does not apply one of the above (i.e. collides, tackles, punches etc.) the player may be ejected from the game. (Judgment call by the umpire)

-If the offensive player does not attempt a proper slide (i.e. attempts to jump over, front flip over, or any other acrobatic move, over the catcher to avoid the tag) the runner may be called out. (Judgment call by the umpire)

## **12.3 - Batters**

12.3.0 - A batter may attempt to advance on an uncaught third strike ("dropped 3<sup>rd</sup> strike")

## **12.4 – Pitchers**

12.4.0 – A pitcher may not exceed the recommended amount of pitches in any game. Both teams shall keep track of pitch count. Home team has the "official" count unless the umpire decides otherwise.

12.4.0.1 - Managers are expected to refrain from overextending a pitcher's arm.

12.4.0.2 – Farm AA Division **60 pitches** (includes foul balls.)

12.4.2.1 - The new pitcher has faced at least one batter.

12.4.2.2 - Such a move occurs prior to the second visit of any inning.

12.4.3 - A sub may pinch-hit for the pitcher **once** in a game and the pitcher may retake the mound. The pinch-hitter is then ineligible for participation in the remainder of the game.

12.4.4 - If a new pitcher is brought in due to an injury of the original pitcher, the new pitcher shall be awarded a maximum of three minutes to warm up. The game clock shall stop during this time.

**12.4.5 – Balks shall be enforced after 1<sup>st</sup> warning.** When a balk is called it shall be an immediate “dead ball.” Each Pitcher shall receive one balk warning.

**12.4.5.1** - After the warning, the umpire may elect to visit the mound and explain the balk to the pitcher. This is a meeting between the umpire and the pitcher.

**12.4.5.2** - If the coach elects to visit the mound it will constitute a coaching visit. If it is the second visit in the inning the pitcher must be removed from the mound.

**12.4.5.3** - Third-to-first fake pickoff is now officially a balk.

**12.4.6** – Intentional walks must be communicated to the umpire. The umpire may put the batter on first base. Four pitches do not need to be thrown.

## SECTION 15 – Umpires

**15.0.1** - The league president shall supply appropriate umpires to officiate league games as needed. The umpires shall be responsible for the conduct of the game in accordance with these official rules and for maintaining discipline and order on the playing field during the game.

**15.0.1.1** – If an umpire has not arrived by game time, a league representative should be notified. The game clock starts at the discretion of the umpire or league official if an umpire is not present. The game may get started without an official umpire.

**15.0.2** - Each umpire is a representative of the league and of professional baseball, and is authorized and required to enforce all of these rules. Each umpire has authority to order a player, coach, manager, or fan(s) to do or refrain from doing anything which affects the administering of these rules or the game being played, and to enforce the prescribed penalties.

**15.0.3** - Each umpire has authority to rule on any point not specifically covered in these rules.

**15.0.4** - Each umpire has authority to disqualify any player, coach, manager or substitute for objecting to decisions or for unsportsmanlike conduct or language, and to eject such disqualified person from the playing field. If an umpire disqualifies a player while a play is in progress, the disqualification shall not take effect until no further action is possible in that play.

**15.0.5** - Each umpire has authority at their discretion to eject from the playing field any spectator or other person not authorized to be on the playing field.

### **15.0.6 – Umpires Decisions**

**15.0.6.1** – Any umpire’s decision which involves judgment, such as, but not limited to, whether a batted ball is fair or foul, whether a pitch is a strike or a ball, or whether a runner is safe or out, is final. No player, manager, coach or substitute shall object to any such judgment decisions.

*15.0.6.2 Comment: Players leaving their position (in the field or on base,) or managers or coaches leaving the bench or coaches box, to argue on BALLS AND STRIKES will not be permitted. They should be warned if they start for the plate to protest the call. If they continue, they may be ejected from the game.*

**15.0.6.2** – If there is reasonable doubt that any umpire’s decision may be in conflict with the rules, the manager may appeal the decision and ask that a correct ruling be made. Such appeal shall be made only to the umpire who made the protested decision.

**15.0.6.3** – If a decision is appealed, the umpire making the decision may ask another umpire for information or a league representative before making a final decision. No umpire shall criticize, seek to reverse or interfere with another umpire’s decision unless asked to do so by the umpire making it.

*15.0.6.4 Comment: The manager or the catcher may request the plate umpire to ask his partner (if there are 2 umpires) for help on a half swing when the plate umpire calls the pitch a ball, but not when the pitch is called a strike. The manager may not complain that the umpire made an improper call, but only that he did not ask his partner for help. Field umpires must be alerted to the request from the plate umpire and quickly respond. Managers may not protest the call of a ball or strike on the pretense they are asking for information about a half swing. Appeals on a half swing may be made only on the call of ball and when asked to appeal, the home plate umpire must refer to a base umpire for his judgment on the half swing. Should the base umpire call the pitch a strike, the strike call shall prevail. Baserunners must be alert to the possibility that the base umpire on appeal from the plate umpire may reverse the call of a ball to the call of a strike, in which event the runner is in jeopardy of being out by the catcher’s throw. Also, a catcher must be alert in a base stealing situation if a ball call is reversed to a strike by the base umpire upon appeal from the plate umpire. The ball is in play on appeal on a half swing. On a half swing, if the manager comes out to argue with first or third base umpire and if after being warned he persists in arguing, he may be ejected as he is now arguing over a called ball or strike.*

**15.0.6.5** – No umpire may be replaced during a game unless he is injured, becomes ill, or for reasons approved by the league president.

### **15.0.7 – Umpire-in-Chief**

**15.0.7.1** – If there is only one umpire, he/she shall have complete jurisdiction in administering the rules. He/She may take any position on the playing field which will enable him/her to discharge his/her duties (usually behind the catcher, but sometimes behind the pitcher if there are runners).

**15.0.7.2** – If there are two or more umpires, one shall be designated umpire-in-chief (Plate) and the other, field umpire (Bases.)

### **15.0.8 – Umpire Duties**

**15.0.8.1** – The umpire-in-chief shall stand behind the catcher. (usually called the “Plate” umpire.) Duties shall be to:

- (1) Take full charge of, and be responsible for, the proper conduct of the game;
- (2) Call and count balls and strikes;
- (3) Call and declare fair balls and fouls except those commonly called by field umpires;
- (4) Make all decisions on the batter;
- (5) Make all decisions except those commonly reserved for the field umpires;
- (6) Decide when a game shall be forfeited;
- (7) If a time limit has been set, announce the fact and the time set before the game starts;
- (8) Inform the official scorer of the official batting order, and any changes in the lineups and batting order, on request;
- (9) Announce any special ground rules, at their discretion.

**15.0.8.2** – Field umpires may take any position on the playing field they think best suited to make impending decisions on the bases.

Duties shall be to:

- (1) Make all decisions on the bases except those specifically reserved to the umpire-in-chief;
- (2) Take concurrent jurisdiction with the umpire-in-chief in calling “Time,” balks, illegal pitches, or defacement of the ball by any player.
- (3) Aid the umpire-in-chief in every manner in enforcing the rules, and excepting the power to forfeit the game, shall have equal authority with the umpire-in-chief in administering and enforcing the rules and maintaining discipline.

### **15.0.9 - Reprimands**

**15.0.9.1** - The umpire shall report to the league representative after the end of a game all violations of rules and other incidents worthy of comment, including the disqualification of any manager, coach or player, and the reasons therefore.

**15.0.9.2** - When any manager, coach or player is disqualified for a flagrant offense such as the use of obscene or indecent language, or an assault upon an umpire, manager, coach or player, the umpire shall inform a league representative of all particulars after the end of the game.

**15.0.9.3** - After receiving the umpire’s report that a manager, coach or player has been disqualified, the league representative shall notify the league president who shall impose such penalty as he deems justified, and shall notify the person penalized and the manager of the team of which the penalized person is a member.
