- **The umpires may confer with each other...they won't need any coaches input! (refrain from making the call before they do)**
- **Give them your respect and make sure your assistant coaches, parents, and players give them their respect as well!**

SECTION 1 – End of Season Tournament Qualification.

1.0 Tournament Participation and Division Standings

1.0.0 - The top 6 seeded teams will be invited to play in the tournament. If a team in the top 6 elects not to participate, the next place team will be extended an invitation. If a division has 6 or less teams participating, all teams will qualify for the EOS Tournament.

1.1.0 – Seeding will be determined by the regular season (win/loss) winning percentage.

1.2.0 – Regular season ties shall be broken in the following order: 1. Head to head record. 2. Head to head run differential. 3. Head to head runs allowed. 4. Head to head runs scored. 5. All (regular season games) runs allowed. 6. All (regular season games) runs scored. 7. Flip a coin.

1.2.1 – Multiple teams with a tie shall be broken by Head to head records (and then by rule 1.2.0). 2. If a “circular reference” occurs in the tie-breaker, the tie will be broken by: 1. Runs allowed between the tied teams. 2. Runs scored between the tied teams. 3. Runs allowed throughout the season. 4. Runs scored throughout the season. 5. Flip a coin. (if 3 teams are tied, all 3 will flip a coin and the odd coin wins.)

SECTION 2 – Rosters/Players (Rookie A – Farm A)

2.0 Rosters

2.0.0 - The tournament roster shall be the same as the regular season roster. No players may be added to the roster after half of the regular season games have been played.

2.1.2 – Players on the league roster that have not played in at least half of the regular season games may only play on the tournament team if it will keep the team from forfeiting the game. They must have played with the team during the regular season and have been added to the roster before half the games were played. This will limit their tournament team to the minimum number of players allowed to play.

After shaking hands with your opponents, all players should line up on their respective foul lines in front of their dug out to receive their awards. After receiving their awards please have them group together for a team picture to be displayed on the website.

SECTION 9 – Sportsmanship

9.0 Sportsmanship

9.0 – There is an aspiration or ethos that baseball will be enjoyed for its own sake, with proper consideration for fairness, ethics, respect, and a sense of fellowship with one's competitors.

9.0.1 – Adverse behavior may result in removal from the field and/or park. This refers to everyone at the game. (Head coaches, Asst. coaches, players, parents and fans.) Extreme disruption in behavior may result in removal from participation in East Valley Baseball.

9.0.2 – Only head coaches should be discussing rules or concerns with the umpire.

9.0.2.1 – Treat all umpires and officials with respect. The game is being played on THEIR field. They will make unbiased decisions and calls based on their knowledge and the way they saw the situation play out.

REMINDER: You are coaching and playing a game where wrong calls are made ALL THE TIME (at every level...) it is part of the game and always will be. Accept this fact and move on. Do NOT take this out on the umpire.

9.0.3 – Be courteous, helpful, and friendly... this is a YOUTH league, these games are being played with impressionable children! Show them what good sportsmanship is.

9.0.4 – Shake hands with your opponents after the game. Show genuine thanks for their energy, effort, and time they put into getting their team prepared to play you.
